

You may know Ravensden Parish Council is preparing a Neighbourhood Plan. This will help guide the way the parish may change and be protected in the future.

The Plan is being generated by those who live and work here. Once completed, it will give us a formal voice in future planning decisions which affect us all.

Recent events - the approved housing development at Graze Hill, and news about the East-West Railway - add to the importance of preparing this plan.

A key step is to consult with residents and to understand their views, priorities and vision for the future.

We are preparing questionnaires, surveys, and meetings and have a new website to provide more information and to encourage feedback.

You can visit the Neighbourhood Plan website at <https://ravensdenplan.info> or send an email to [contact@ravensdenplan.info](mailto:contact@ravensdenplan.info)

**‘Drop-in’ sessions are being held on  
Saturday 29th February – Mowsbury Golf Club  
Saturday 7th March – Ravensden Village Hall**

**Please do come along to either event  
anytime between 10am and 1pm**

There you can pick up information and share your views with those preparing the plan, or leave ‘Post-It Note’ comments.
